<b>Objectifs du cours / Course objectives</b>	<p>This seminar aims at giving the students an overview on the People's Republic of China. It seeks to provide some keys, which enable the students to understand contemporary China: landmarks from a civilization that has endured for many centuries, from the history, from the human and physical geography, from the current political and social situation in the country.</p> <p>The goal is to allow the students to enter the Chinese world.</p>			
<b>Compétences acquises/ Learning outcomes</b>				

Contenu du cours par session/ Course content per session
